IN DEDICATION

In appreciation for his concern and guidance throughout the years, we would like to dedicate the 1970 Skoi Yase to Mr. Roger Meadway. His ability and knowledge have guided the yearbook staffs to success for the past seven years. He has also played an important role in the school and community, as his numerous efforts include the design of the Memorial Day emblem.

It is with this dedication that we try to thank Mr. Meadway for all he has done for Waterloo, Waterloo Central School, and its students.

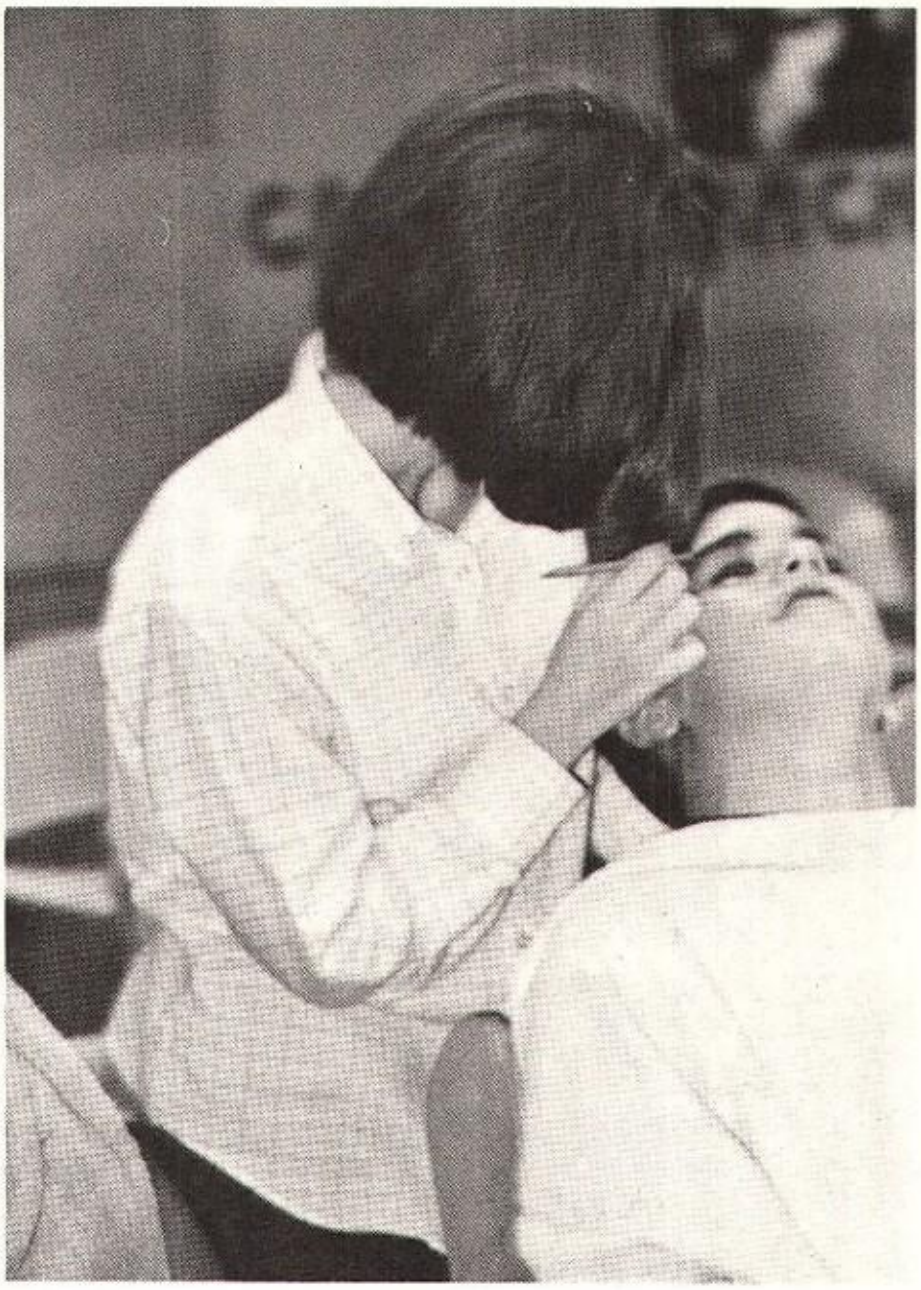
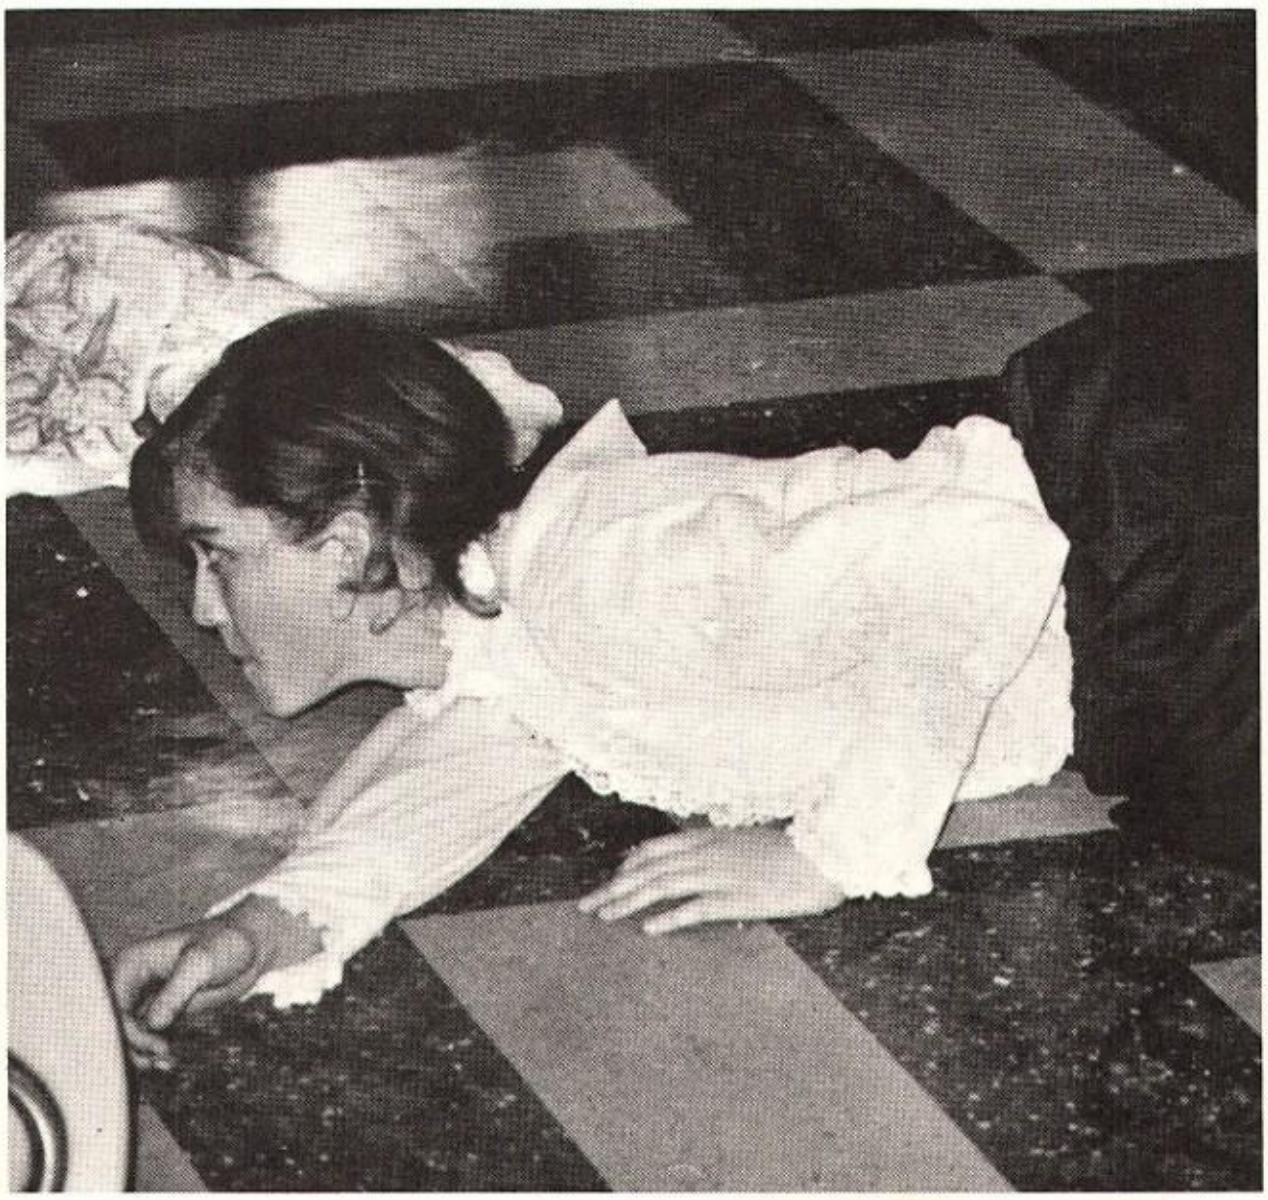
"ALL THE WORLD IS A STAGE. . ."

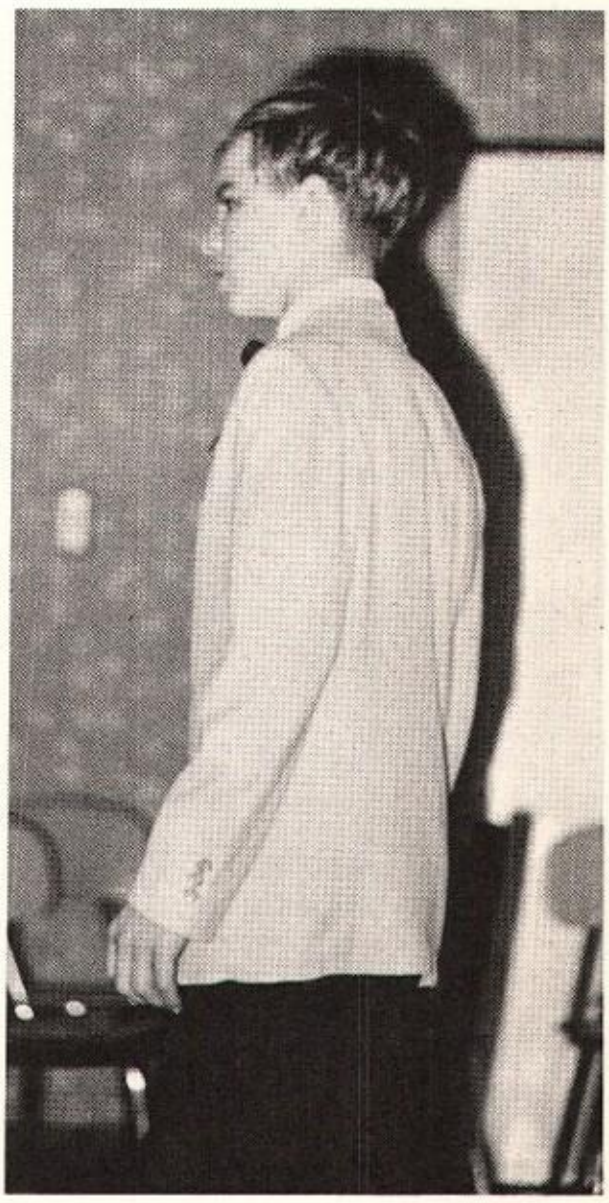
Within the last year, Drama Club has become one of the most active organizations in our school. Under the leadership of Mr. Procino, these thirty students have proven themselves to be able thespians. Mr. Procino has taken on the task of teaching every phase of theatre to his club members this year. He has made it known that there is more to the theatre than acting. With this in mind, we are looking forward to many future productions by Mr. Procino and his Drama Club.

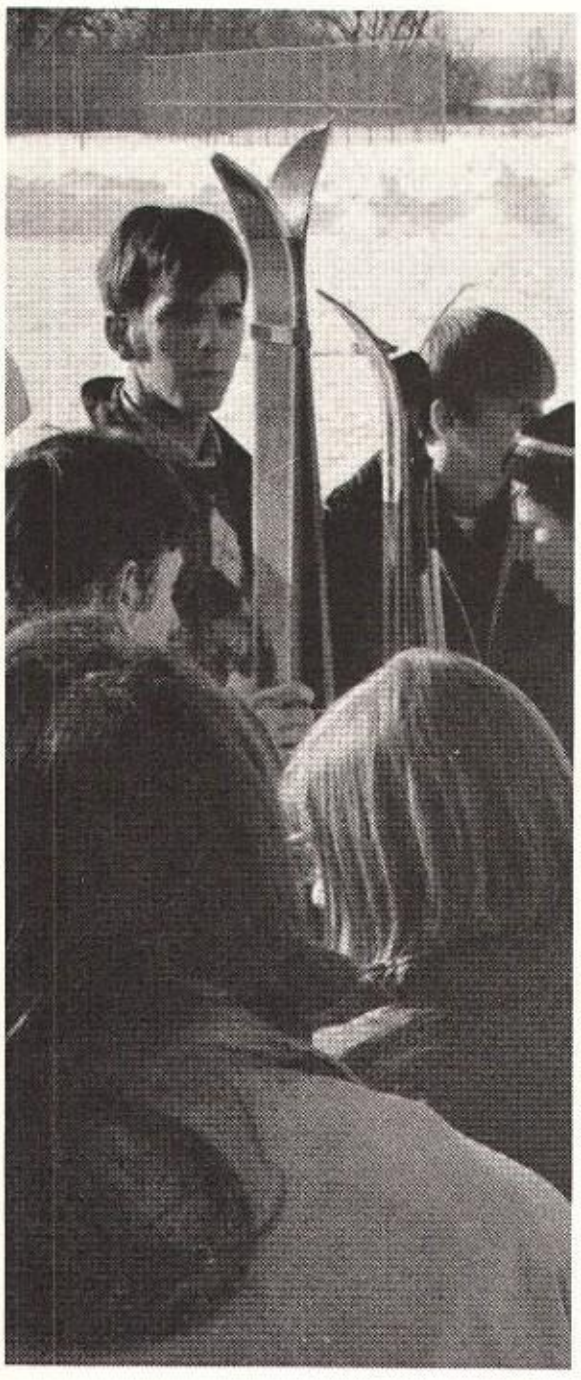


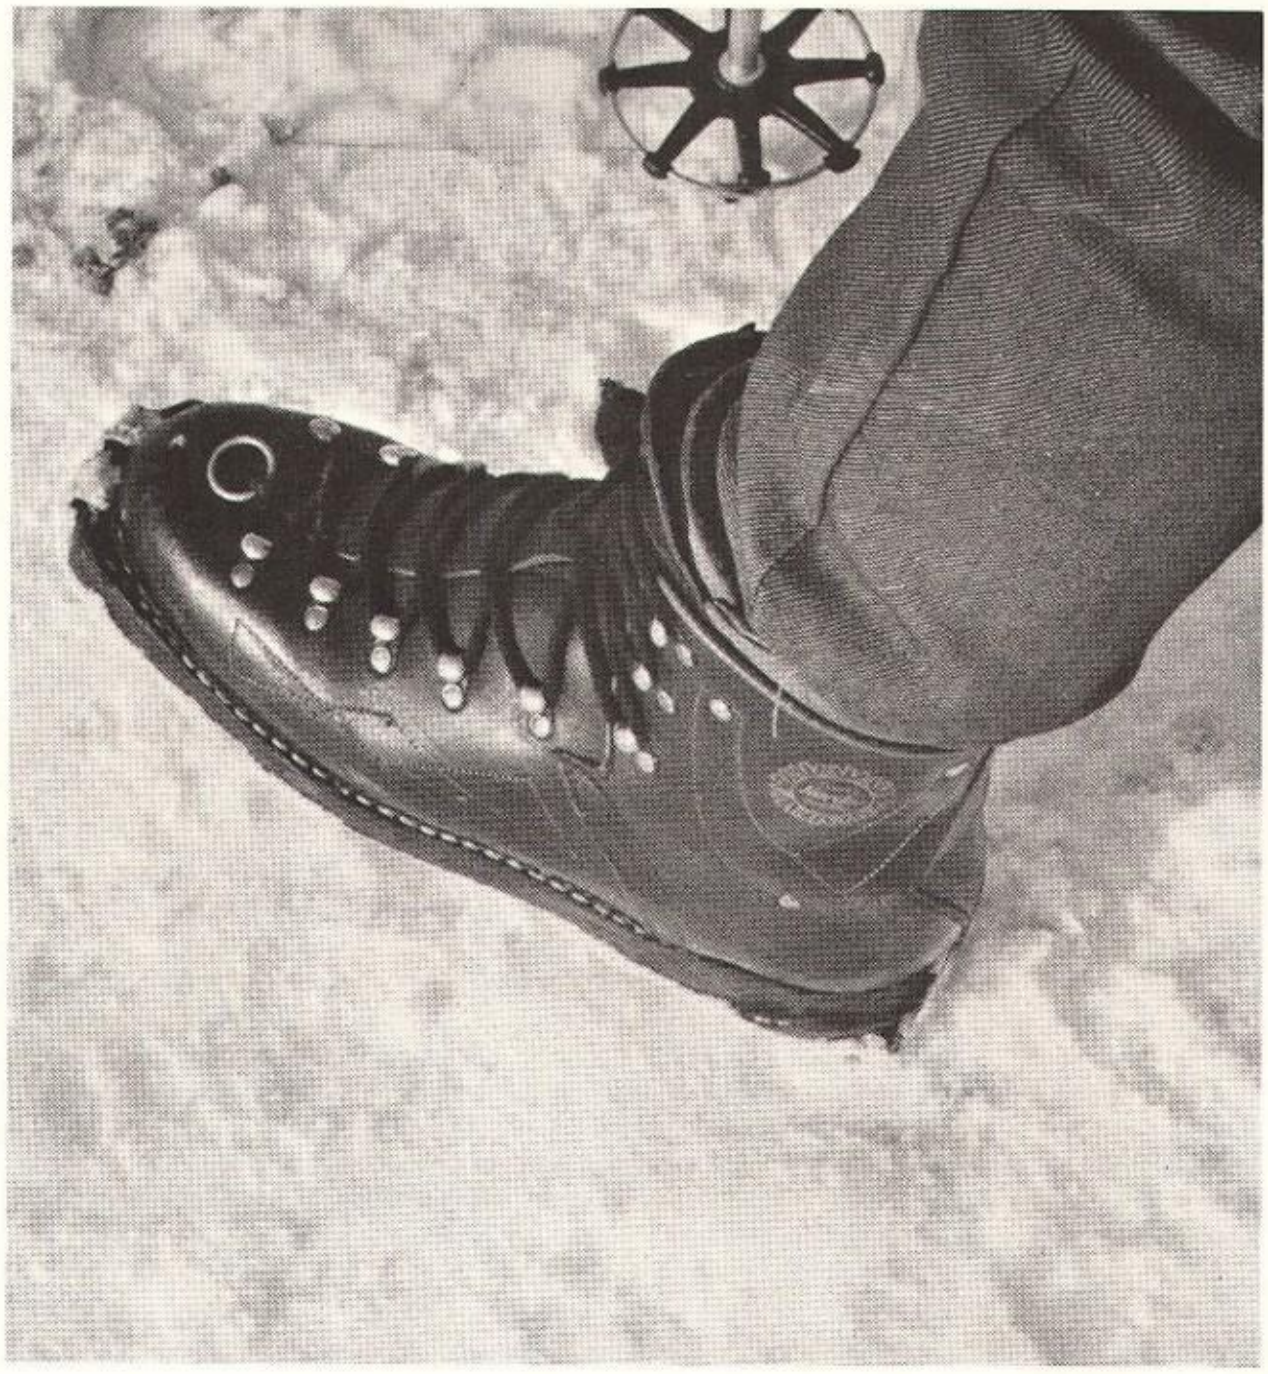
The Miracle Worker was the first production of the drama club this year. In this play William Gibson tells of the early life of Helen Keller. The plot revolves around the problems Anne Sullivan encounters while working with Helen. To add to the uniqueness of this play, it was performed in the round. Every night the 120 seats in the cafatorium were filled. The audience showed their opinion of the play with a spontaneous applause. It was obvious to everyone present that the drama club had again put on a successful play.

THE MIRACLE WORKER

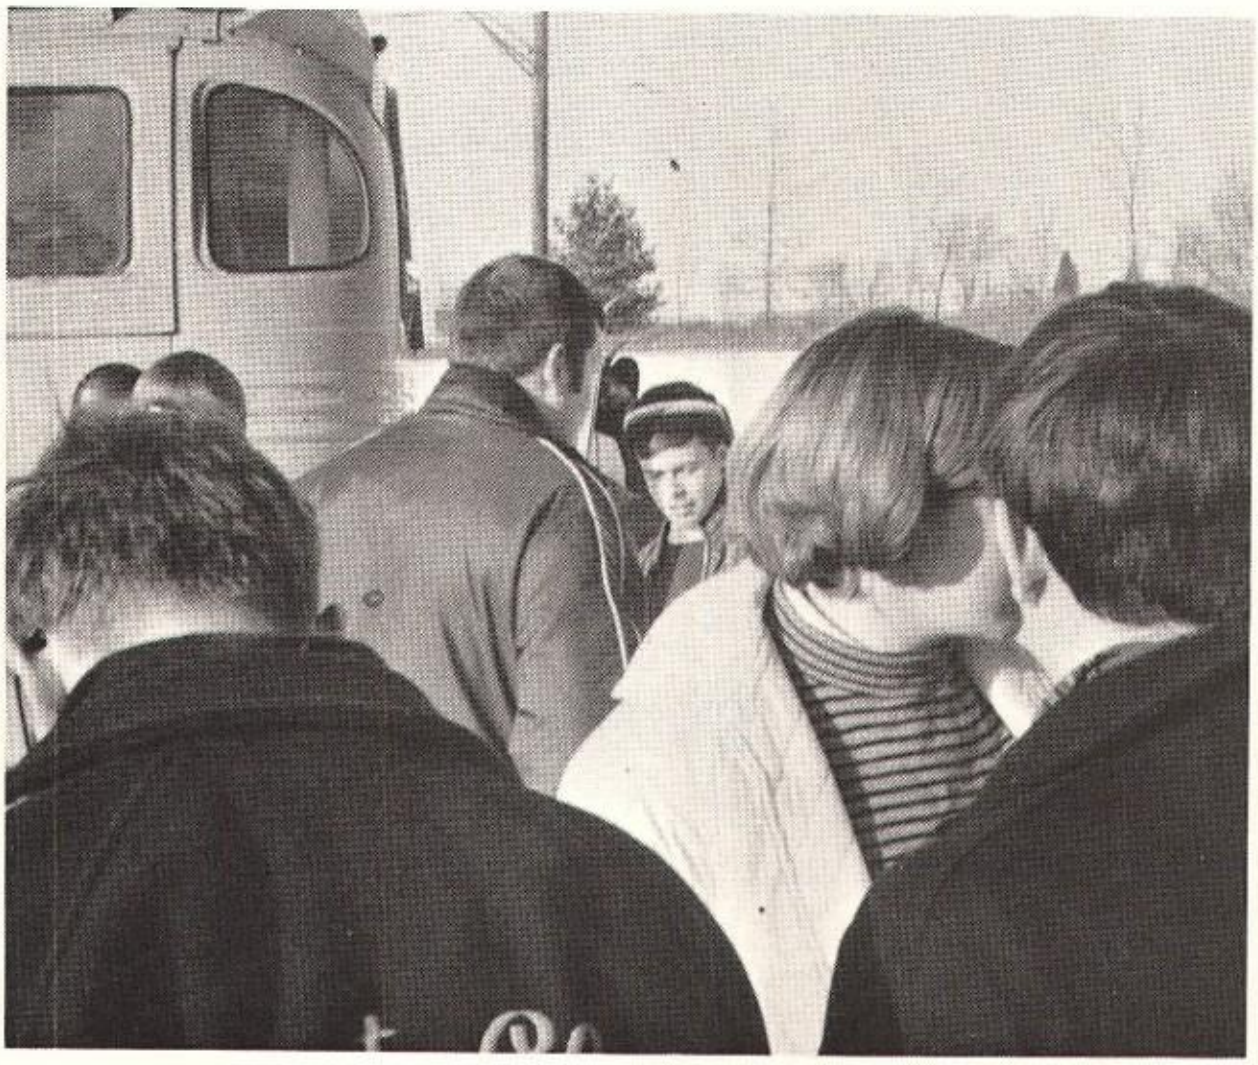








AND AWAY THEY GO



A familiar scene around the school on Thursday afternoons is the scattering of skiis, poles and boots in the gym lobby. The addition of a bus this year has enable even more students to participate in this popular activity. Mr. Andersen is the advisor of the group.

CAPTURING A YEAR FOR YOU

We, of the Skoi-Yase Staff, have tried to collect the happiness and tears, the work and the fun of the 1969-70 school year in this book. It is impossible to recall all the unforgettable times from this past year in such a small space, but we have striven to mention the most important ones. We would like to thank the student body and the faculty for making these times happen. Without them this book would not be possible. We hope our efforts have been worthwhile.

"PAPER INDIAN"

After a year of inactivity, the Waterloo school paper has returned with a new name, a new staff, and many new ideas. Under the leadership of Mrs. Crenner, these 25 students have put out several interesting issues. The **Paper Indian** contains in its pages many editorial views, the current activities in the school, and news of the outside world. Throughout the entire year our school newspaper has done a good job of keeping the Waterloo students informed on activities around the school.

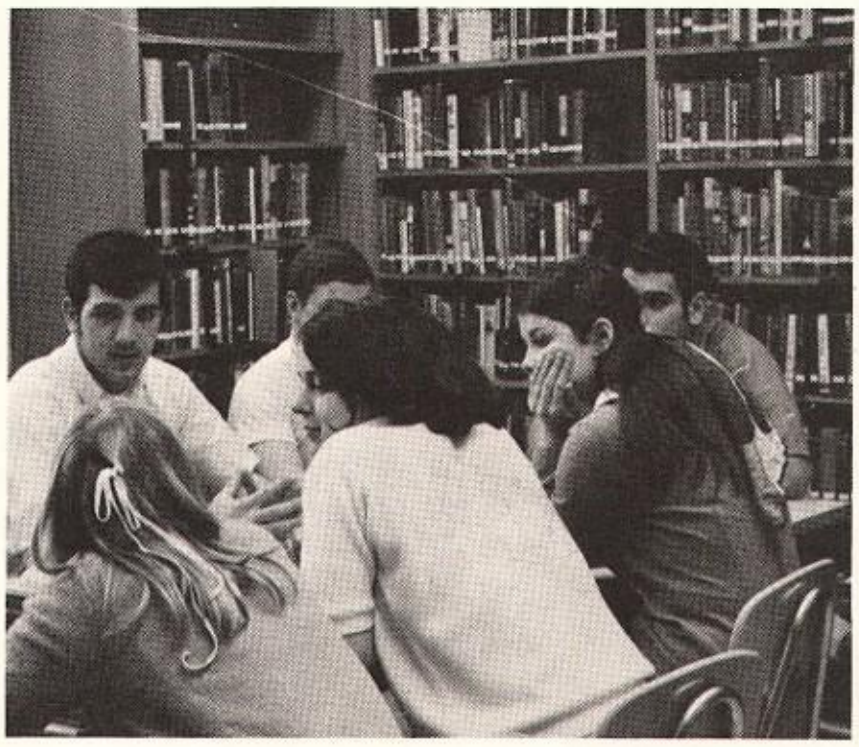
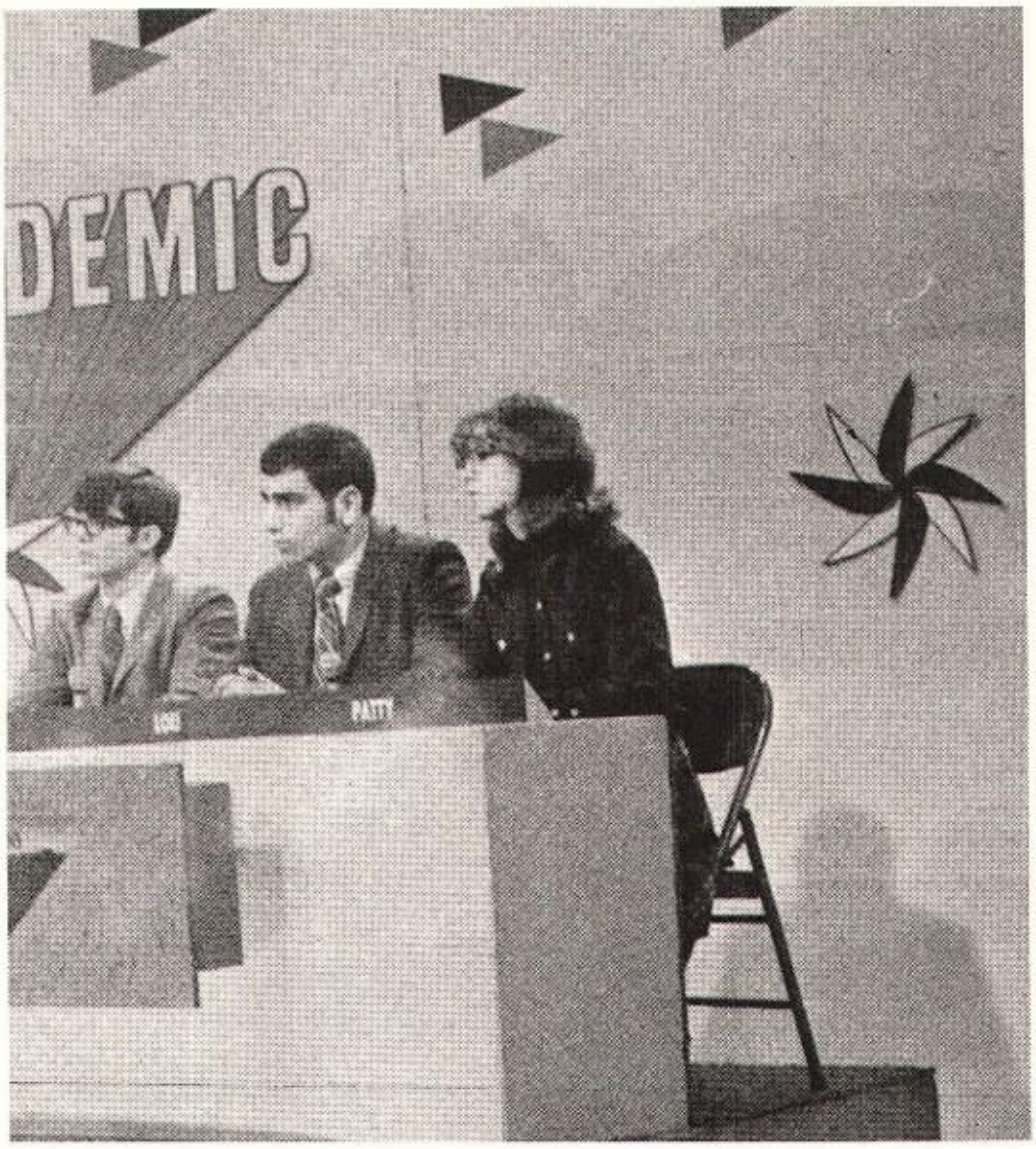
Student Council

The Student Council has had a successful year in every department. The Student Council had the annual sale of student council cards in the fall. They were happy to see that approximately 80% of the student body bought cards. The Student Council also sponsored three dances this year. Each of these dances brought in money for future student council activities. Through the course of the year, many members have also attended the area student council meetings. It is obvious to all that this year's student council did a fine job of governing our school.





The object of this chapter of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of Waterloo. Membership is based upon scholarship, service, leadership, and character. The members must also maintain an average of 85% or above. This group is one of the many that make Waterloo High School a better place to learn.

. . . AND THE BAND PLAYED ON

The Waterloo Senior High band has proven itself to be an important part of our school. Under the direction of Mr. Schmidt, the board has performed in concerts and parades. This group of students has participated in concert competitions on the county and state level, and in the Gorham Pageant of Bands. They have also traveled to other schools to give concerts. Many of the students individually perform selected pieces of music to be judged at an area high school. This year, two students, Marg Cox and Randy Stewart, participated in the New York State School Music Association annual conference of The Concord, Lake Kiomesha in the Catskills. They felt the experience to be a great asset to their future musical careers.

SWEET AND LOW

In the middle of the first semester, the chorus lost a proficient leader, Mr. McCrarey, who had been the choral director for two years. The chorus was turned over to the equally capable hands of Mrs. Dunn. This year's chorus has contributed a great deal of enjoyment to the student body. The successful concerts have proven that this group of students is an important part of the school. One of the more successful events sponsored by the chorus was the presentation of "Twas the Night Before Christmas" performed in pantomime form by the drama club. This year's chorus has been one our school can be proud of.

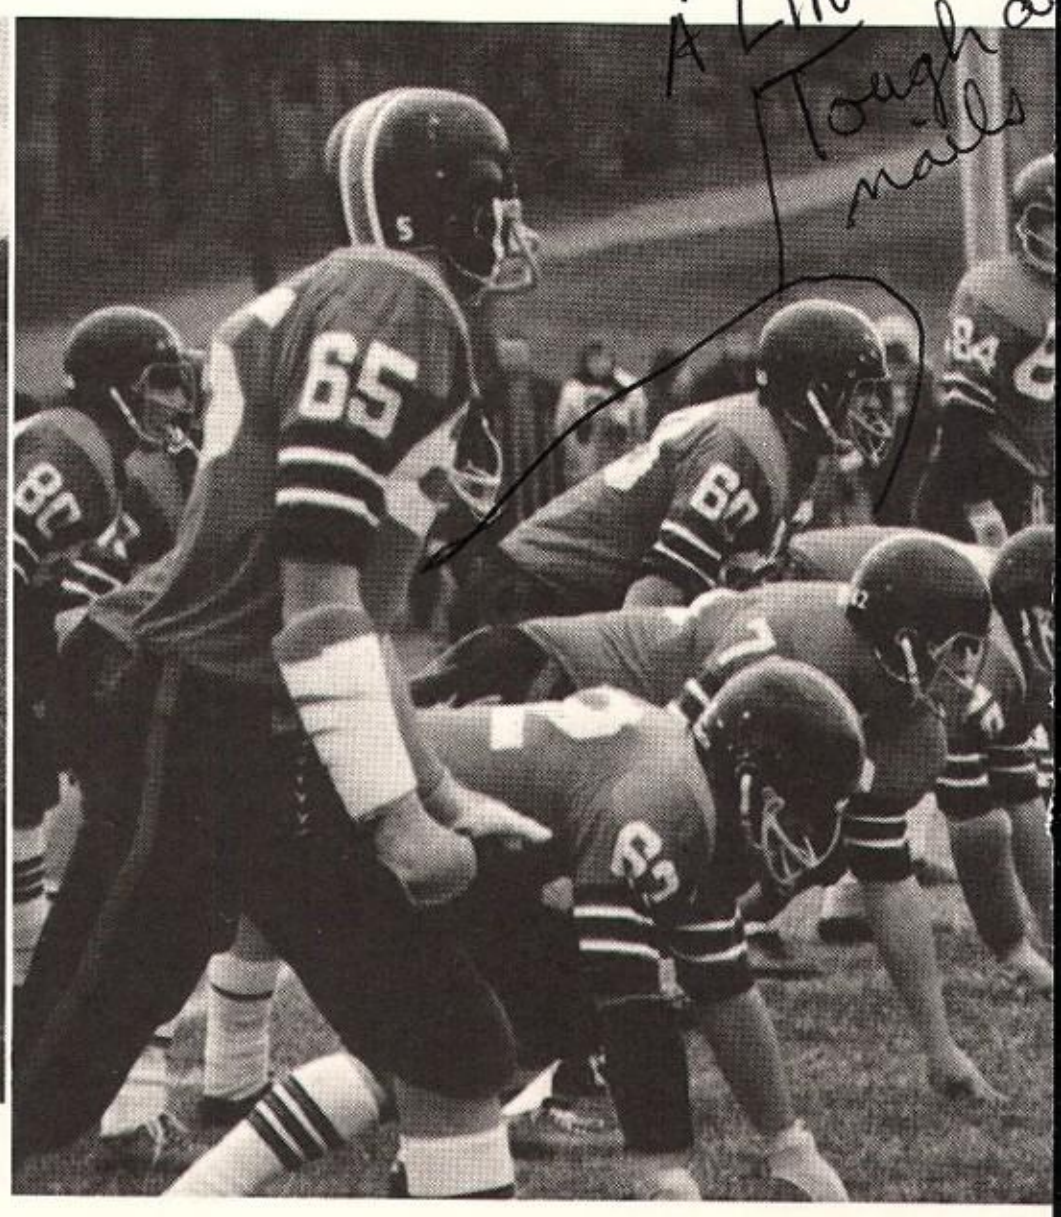
INDIANS HAVE .500 SEASON

Coach Andersen, Coach Russell, Coach Fennell



The Waterloo Varsity Football team started the '69 season with a 48-0 win over Skaneateles and continued their winning ways by defeating DeSales and Lyons. After losing to Mt. Carmel of Auburn, the Indians bounced back with a victory over highly regarded Geneva. Misfortune then hit as Waterloo dropped games to Clyde and Penn Yan. The season ended with a disappointing 10-8 loss to Mynderse. A highlight of the season was Waterloo's Bob Didsbury, who was named to the W-FL all-star team. Waterloo also placed seven members on the second team.

SENIORS

On November 8, twenty-two seniors played their last football game for Waterloo. These seniors concluded a four year career at Waterloo. During this time span, they compiled a record of fifteen wins and fifteen losses. One senior was able to make the W-F1 All-League first team. He was Bob Didsbury. Diz also was named to the Greater Rochester second team. These seniors worked very hard this past season. Also graduating this season are managers Joe Sposato and Dale Gibbs. Dale concluded a two-year stint as manager, while Joe concluded his eighth year as manager and statistician.

THE MYNDERSE GAME

The Waterloo-Mynderse game played on November 8, was a hard, aggressive battle played in the mud at Bracht Field. Waterloo went into the game heavily favored, but because of the weather conditions, our highly explosive offense was stymied. Mynderse scored first on a safety and then a touchdown, and took a 10-0 lead at half time. The Indians roared back in the third quarter. Steve Schweitz threw a 18-yard touchdown pass to Lou DiLorenzo. Steve passed to Lou for the two point conversion, and Waterloo trailed 10-8. The Indians had several other chances to score, but the Devils held. The game ended with Mynderse winning 10-8. The Indians fought a hard battle, but luck did not seem to be with Waterloo on November 8.

The Waterloo Jayvees enjoyed their best season in six years, compiling a 6-1 record to finish in second place in the league standings. Led by Jack Lynch and Jeff Hilimire, the JV's were victorious over Mynderse, DeSales, and Lyons before bowing to Mt. Carmel. They then regained winning form by beating Clyde, Geneva, and Penn Yan. Coach Courtney and Coach Bishop's team finished ½ game behind league champion Mt. Carmel. The team was composed of many sophomores, who will return to play varsity football next season.

HARRIERS FINISH

The highly successful Waterloo cross-country team again finished in second place in W.F.L. standings with a 12 and 1 record. Highlighted by some great runners as Joe Wilbert, Terry Shoenacker and Jim Pierson, the Harriers also finished second in the league meet. The big victory for Waterloo was a 29-28 victory over arch-rival Mynderse Academy. The Harriers look forward to another outstanding season next year, since they only lose Terry Shoenacker through graduation.

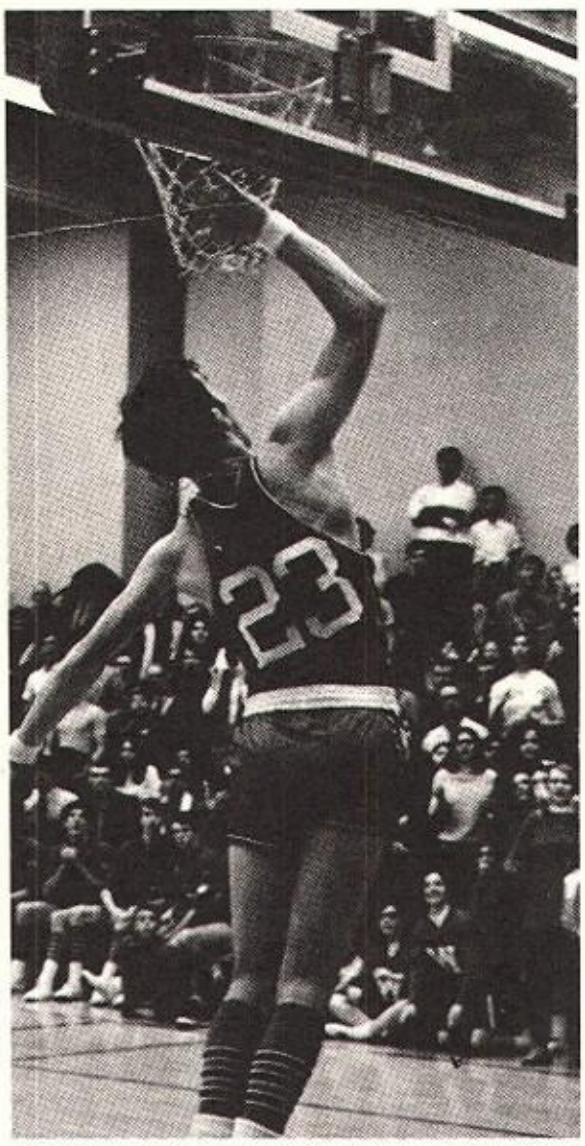
ON THE WAY TO THE SECTIONALS



Marty Coggins—a crucial basket.

Led by new head coach John Dunn, the Waterloo Indians have returned as a well noted power in the Wayne Finger Lakes. The Indians are currently in second place and will participate in the Sectionals in March. Leading the tribe are high scorers Steve Schweitz and Chuck Pratz along with Joe DiCicco, Marty Coggins and Skip Brown. The Indians are 12-3 as of date, and are on the way to their best season in eight years.

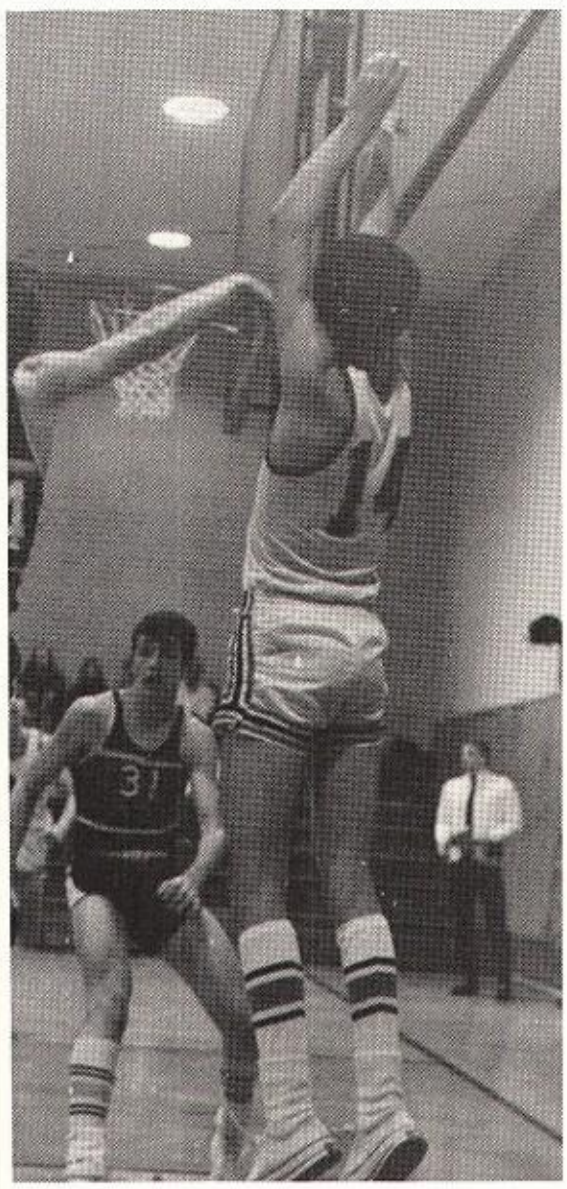
JAYVEES HAVE WINNING SEASON



Under the leadership of Mr. Bonetti the Jayvees are currently in third place in the standings with an 11-4 record. One of their biggest wins came over arch-rival Mynderse. Many of the players are sophomores who will come up to the varsity next season to keep Waterloo's return to basketball power on the rise.

The wrestling team, led by a contingent of 8 seniors, has had their best season in many years. Ending with a 10-4 record, the Indians have high hopes for the sectionals. With the loss of Mr. McCrary early in the season, Mr. Fennell has been the only Indian coach, with some help from Mr. Neff. With a total of 9 seniors graduating, the team will be rebuilding next year.

As usual, the bowling team is having another successful season. They are currently holding down third place in the Wayne Finger Lakes Conference. Their leading bowlers are Rick Nadeau and Scott Phillips, and the keglers will also participate in the post-season sectionals.

Coached by Mr. Procino, the marksmen have led the league since the beginning of the season. Another bright aspect for the rifle team is that no one will be lost by graduation. The team will also participate in the sectionals in March.

SOCCER

With the loss of a great number of players by graduation, the girl's soccer team was unable to come up with a single victory this season. But behind the scoring of Marcia Bertino and Mary Lou Steele, the girls did manage to pull out 3 ties, along with 3 losses.

GIRLS BASKETBALL

After being defeated in their first game by Penn Yan, the Girl's Honor Basketball Team went on to successfully defeat Geneva, Canandaigua, Mynderse and Naples. This year they lose only one player, so they plan to be back in full force next season.

SHOULD YOU GO TO GOULD'S AFTER HIGH SCHOOL . . . AFTER COLLEGE?

Since 1874, time of the above engraving, more young men in Waterloo probably graduated to Goulds than graduated from high school. Fortunately, for both education and Goulds, things have changed. Both have grown enormously. Today the opportunities for education, both high school and college, are greater than ever before. The demands on the students, however, are growing more intense. There is more competition. Same with pump companies. Some keep growing, others are drop-outs. Back in 1874, for example, there were four other pump companies in Seneca Falls. They're all long gone. We have some competitors, today, who are on shaky ground. They haven't done their homework, i.e., no new products, new approaches to markets, etc. Success in schooling, success in pump manufacturing; both are the product of determined, skilled, enlightened people. We have them at Goulds Pumps, Inc., and we're proud that a great number of our key people are Waterloo Central graduates. Many are those who have gone on to college and then returned to Waterloo and to Goulds. These illustrations show the change in Goulds plant facilities in the past 90 years. But Goulds is moving faster than that. In the past 10 years sales have more than doubled. To keep growing we need more good people to grow with. Consider Goulds as a good place to work after high school or college.

Do you have to give up your identity to make it in a big corporation?

You've heard the stories:

One big corporation forbids you to wear anything but white shirts.

Another says it wants you to be "creative"—and gives you a 4-pound rule book telling you exactly how to do it.

Yet another doesn't want you to buy a more expensive car than your boss because "it wouldn't look right".

Is this really happening in American business?

Have companies become so rigid and fossilized that they're scared of people who don't fit the "norm"?

Not this company.

We are not hung up on trivia like that.

The advances General Telephone & Electronics has made didn't come from people hiding behind organization charts and smiling at the right time.

They came from people who used their brains:

People who revolutionized picture-taking with the Sylvania flashcube, who developed the high-energy liquid laser, who came up with the sharpest color TV picture in the world, who pioneered instant electronic stock market quotations, and so on.

We are looking for more people like this—people who aren't afraid to stand up and try themselves out.

We are an equal opportunity employer:

All you need to make it with us is a good head on your shoulders.
